Operational Period	06/08/15 – 06/16/15
Report Number	33

Member agencies of Texas Voluntary Agencies Active in Disasters (TX VOAD) are active in several areas of the State, and continue to be a vital part of the humanitarian efforts in responding to the needs of impacted jurisdictions. They continue to provide feeding, hydration, sheltering, mud-out, damage assessment, chaplaincy, daycare, and other important services. They also provide hydration and feeding services to responders.

Long term recovery efforts are underway for many portions of the state that were impacted by the severe weather, tornadoes, and flooding. VOAD members are working with TDEM and local officials to establish long term recovery groups to coordinate the rebuilding process.

In addition to response and recovery efforts that continue in those areas, VOAD members are now preparing to respond to the impacts of Tropical Storm Bill. In order to coordinate response and recovery efforts, the Texas VOAD will hold a membership conference call at 1 PM on Wednesday, June 17th.
